To Whom It May Concern:

I had the pleasure of teaching Zach Plaxico in a several high school computer technology classes. During his final years high school. Zach has always been a very kind hard working student. He has the ability to figure out what needs be done, make a plan, and do it.

Zach is honest and attentive in his studies. It is obvious Zach takes pride in all his work. Zach takes the time to review, and re-learn and apply his learning in all he does. He is a self directed learner and has demonstrated he can problem solve and think critically.

Thank you for interest in a fine Western School District graduate. If you would like to contact me for further information I can be reached at (517) 841-8400 or at 1400 Dearing Road.

Thank you,

Steve Weller
